

Now, save on ductless air conditioning for your home.

Frank & Lindy
Plumbing & Heating Service Co.
2 John Walsh Boulevard, Peekskill, NY 10566

Another *unfortunate* home event.

"So I says to my wife, I says: "Hon, there's only one way to install them there window units, and that's the *right* way!"

See reverse side for *special bonus offer*.

Fortunately,
there's Frank & Lindy
...for help with all your indoor
comfort needs.

Window air conditioning units can be such a pain...

They're frequently noisy. Difficult to install. And don't exactly do wonders for the outer beauty of your home. And right now, central air just isn't in your plans.

So that means you're stuck with the window contraptions? Of course not. Because now, Frank & Lindy brings you the **ductless split air conditioning** alternative.

It's the affordable and quiet alternative to window AC's that includes:

- An outside **condensor**, just like central air;
- One or more indoor **evaporators** that we install in the rooms you want cooled;

- **No duct work** is required, and that saves you money;
- Plus, the air is **filtered and cooled** at the same time.

Now, you can **save \$200 on a fully-installed ductless air conditioning system** with the attached coupon...only from Maitz Home Services.

Call today to schedule a no-obligation estimate. And then you'll **really** have something to tell your neighbors about.
